To

Sub: Prevention of defacement of property and other campaign related items – revised instructions- regarding.

Sir,

I am directed to invite a reference to the Commission's letter No. 3/7/2007/JS-II, dated 16th October, 2007, regarding prevention of defacement of property in connection with election campaign.

2. In the past, the Commission has suggested the enactment of special laws by state governments for dealing with defacement of properties effectively. Some states have enacted special legislations to govern and regulate defacement of property, while the other states have legislation that either only cover specific areas, like municipalities etc, or have no legislation at all. A tabular statement on respective positions obtaining in the states in this respect based on the information available in the Commission is enclosed in the schedule appended to this circular (marked as Annexure-1). Since a uniform law throughout the country is not available, what is enforceable differs from state to state. Keeping in view the forthcoming general election to the Lok Sabha due in 2009, it has become necessary to lay down, for smooth conduct of campaign during elections and for clear understanding of all authorities who have the responsibility for the implementation at the field level as also of the observers who are deputed to oversee the elections in different states/constituencies, a comprehensive set of guidelines with respect to defacement of property.

3. After considering all aspects of the matter in depth, the Commission has, in **supersession of the earlier instructions**, laid down the following directions, to be followed by political parties, candidates, individuals and organizations etc. during the election period:

DEFACEMENT OF PUBLIC PLACES

4. (a) No wall writing, pasting of posters/papers or defacement in any other form, or erecting/displaying of cutouts, hoardings, banners flags etc. shall be permitted on any Government premise (including civil structures therein). For this purpose a Government premise would include any Govt. office and the campus wherein the office building is situated.

(b) If the local law expressly permits or provides for writing of slogans, displaying posters, etc., or erecting cut-outs, hoardings, banners, political advertisement, etc., in any public place, (as against a Govt. premise) on payment or otherwise, this may be allowed strictly in accordance with the relevant provisions of the law and subject to Court orders, if any on this subject. It should be ensured that any such place is not dominated/monopolized by any particular party(ies) or candidate(s). All parties and candidates should be provided equal opportunity in this regard.

(c) If there is a specifically earmarked place provided for displaying advertisements in a public place, e.g. bill boards, hoardings etc. and if such space is already let out to any agency for further allocation to individual clients, the District Election Officer through the municipal authority concerned, if any, should ensure that all political parties and candidates get equitable opportunity to have access to such advertisement space for election related advertisements during the election period.

DEFACEMENT OF PRIVATE PLACES

5. (a) In the States where there is no local law on the subject, and subject to the restrictions under the law where there is a law, temporary and easily removable advertisement materials, such as flags and banners may be put up in private premises with the voluntary permission of the occupant. The permission should be an act of free will and not extracted by any pressure or threat. Such banner or flag should not create any nuisance to others. Photo-copy of the voluntary permission in writing obtained in this connection should be submitted to the

Returning Officer within 3 days of putting up the flags and banners in such cases in the manner prescribed in sub-para(c) below.

(b) If the local law does not expressly permit wall writing, pasting of posters, and similar other permanent/semi-permanent defacement which is not easily removable, the same shall not be resorted to under any circumstances, even on the pretext of having obtained the consent of the owner of the property. This will also apply in the states where there is no local law on the subject of prevention of defacement of property.

(c) Where the local law expressly permits wall writings and pasting of posters, putting up hoardings, banners, etc. on private premises with the owner's permission, the contesting candidates or the political parties concerned shall obtain prior written permission from the owner of the property and submit photocopies of the same within 3 days to the Returning Officer or an officer designated by him for the purpose, together with a statement in the **enclosed proforma** (marked as Annexure-2). The statement in such cases and in the cases mentioned in sub-para (a) above should clearly mention therein the name and address of the owner of the property from whom such permission has been obtained together with expenditure incurred or likely to be incurred for the purpose. Nothing inflammatory or likely to incite disaffection amongst communities shall be permissible in such writings/display. The expenditure incurred in this mode on specific campaign of candidate(s) shall be added to the election expenditure made by the candidate. Expenditure incurred on exclusive campaign for a party without indicating any candidate shall not be added to candidates expenditure. The contesting candidate shall furnish such information village/locality/town-wise, to the Returning Officer, or the authorized officer within 3 days of obtaining the requisite permission, for easy checking by the Returning Officer or the Election Observer or any officer connected with the conduct of elections.

(d) Subject to any restrictions under any local law or any court orders in force, the political parties, candidates, their agents, workers and supporters may put up banners, buntings, flags, cut-outs, on their own property, provided they do so on their own volition, voluntarily and without any pressure from any party, organization or person, and provided further that these do not cause any inconvenience in any manner to anyone else. If such display of banners, flags etc. aims to solicit vote for any particular candidate, then the provisions of Section 171H of the IPC would be attracted and would have to be followed. Section 171H of

the IPC stipulates that whoever without the general or special authority in writing of a candidate incurs or authorises expenses on account of the holding of any public meeting, or upon any advertisement, circular or publication, or in any other way whatsoever for the purpose of promoting or procuring the election of such candidate, shall be punished with fine which may extend to five hundred rupees: Provided that if any person having incurred any such expenses not exceeding the amount of ten rupees without authority obtains within ten days from the date on which such expenses were incurred the approval in writing of the candidate, he shall be deemed to have incurred such expenses with the authority of the candidate.

DEFAACEMENT OF HALLS/AUDITORIUMS AND OTHER PUBLIC PROPERTIES

6. In the case of Halls/Auditoriums/Meeting venues owned/controlled by the Government/local authorities/PSUs/Cooperatives, if the law/guidelines governing their use do not preclude political meetings therein, there is no objection to it. It shall be ensured that the allocation is done on equitable basis and that there is no monopolization by any political party or candidates. In such venues, displaying of banners, buntings, flags, cut-outs, may be permitted during the period of meetings subject to any restrictions under the law/guidelines in force. Such banners, flags, etc. shall be got removed by the party/individual who used the premises immediately after conclusion of the meeting, and in any case within a reasonable period after the meeting is over. Permanent/semi-permanent defacement such as wall writing/pasting of posters etc. shall not be permitted in such premises.

7. If any political party/association/candidate/person indulges in defacement of any property in violation of the local law, if any, or the above instructions, the Returning Officer/District Election Officer shall issue notice to the offender for removing the defacement forthwith. If the political party/association/candidate/person does not respond promptly, the district authorities may take action to remove the defacement, and the expenses incurred in the process shall be recovered from the political party/association/candidate/person responsible for the defacement. Further, the amount also shall be added to the election expenditure of the candidate concerned, and action should also be initiated to prosecute the offender under the provisions of the relevant law (under the law relating to prevention of defacement, if any, or under the provisions of the general law for causing willful damage to the property of others).

DEFAACEMENT OF VEHICLES

8. (a) In private vehicles, subject to the provisions of the Motor Vehicles Act, Rules thereunder and subject to court orders in force, if any, flags and stickers may be put on the vehicles by the owner of the vehicle on his own volition, in such a manner that they do not cause any inconvenience or distraction to other road users. If such display of flags and stickers aims to solicit vote for any particular candidate, then the provisions of Section 171H of the IPC would be attracted and would have to be followed.

(b) On commercial vehicles, display of any flag, sticker etc. shall not be permitted, unless such vehicle is a vehicle validly used for election campaign after obtaining the requisite permit from the District Election Officer/Returning Officer and the display thereof in original on the wind screen.

(c) External modification of vehicles including fitting of Loudspeaker thereon, would be subject to the provisions of the Motor Vehicles Act/Rules and any other Local Act/Rules. Vehicles with modifications and special campaign vehicles like Video Rath etc., can be used only after obtaining the requisite permission from the competent authorities under the Motor Vehicles Act.

OTHER CAMPAIGN RELATED ITEMS

9. Subject to accounting for the expenditure, the following may be permitted:-

(a) In processions and rallies etc., flags, banners, cutouts etc. can be carried subject to local laws and prohibitory orders in force;

(b) In such procession, wearing of party/candidate supplied special accessories like cap, mask, scarf etc. may be permitted. However, supply of main apparels like saree, shirt, etc. by party/candidate is not permitted.

(c) Educational institutions including their grounds {whether Govt. aided, private or Govt.} shall not be used for political campaigns and rallies.

10. The Chief Electoral Officers are requested to bring the directions of the Commission to the notice of the District Election Officers, Returning Officers and all other election related

authorities, and all political parties in the State, including State units of recognized National and State parties, and all registered un-recognized parties based in the State, and also the contesting candidates (at the time of elections) for information and compliance.

11. Please acknowledge receipt of this letter. The Chief Electoral Officers may kindly confirm that action as required above has been taken.

Yours faithfully,

(K. F. WILFRED)
